

# 2017 Global Conference on Polymer and Composite Materials (PCM 2017)

May 23-25, 2017, Guangzhou, China

**Prof. Esteban BROITMAN**

Department of Physics, Chemistry and Biology,  
Linköping University, Sweden

**Prof. Kim Meow LIEW**

Head and Chair Professor of Civil Engineering,  
Department of Architecture and Civil Engineering,  
City University of Hong Kong, Hong Kong

**Prof. N.M. RAVINDRA**

Director, Interdisciplinary Program in Materials Science and  
Engineering, New Jersey Institute of Technology,  
Newark, USA

**Prof. Nao-Aki NODA**

Department of Mechanical Engineering, Kyushu Institute of  
Technology, Kitakyushu-city, Japan

## Keynote Speakers

On behalf of the Organizing Committee, I am pleased to invite you to attend the 2017 Global Conference on Polymer and Composite Materials (PCM 2017) in the beautiful city of Guangzhou, China. I believe you will find this conference extremely valuable, both professionally and personally.

This well-established conference series is dedicated to cover all theoretical and experimental aspects of polymers and composite materials. Building on the hugely successful preceding Conferences (PCM 2014 in Ningbo, PCM 2015 in Beijing, and PCM2016 in Hangzhou), PCM 2017 will provide an ideal academic platform for researchers to present their latest findings, and to facilitate networking and in-depth discussion with peers from Asia, Europe and USA. The scientific program will focus not only on current advances in the research, but also in the production and use of polymers and composite materials in different fields. The conference setting has a highly focused technical program through plenary, invited, oral and poster presentations.

## Invitation Letter

The conference also offers you the possibility to publish your research either in the conference proceedings (Indexed by Ei Compendex, Scopus, Inspec, CPCI, etc) or in well-known journals with ISI impact factors. Please, check our website at <http://www.cpcmconf.org/index.html> for more details.

I look forward seeing you in a new exciting, and successful meeting in Guangzhou!

*Esteban Broitman*

Conference General Chair

## Proceeding

IOP Conference Series [conferenceseries.iop.org](http://conferenceseries.iop.org)

IOP Conference Series:  
Materials Science and  
Engineering(MSE)

Indexed by: Ei Compendex,  
Scopus, Inspec, CPCI, etc

## Program

- 5.23 Registration
- 5.24 Welcome Speech  
Keynote Speeches  
Poster Presentations
- 5.25 Invited Speeches  
Oral Presentations  
Welcome Banquet

## History

- PCM2016**, May 20-23, 2016  
Venue: Hangzhou, China  
Attendees: Around 200
- PCM2015**, May 16-19, 2015  
Venue : Beijing, China  
Attendees: Around 160
- PCM2014**, May 27-29, 2014  
Venue : Ningbo, China  
Attendees: Around 150

## Call For Papers/Abstracts

Submission Deadline (Second Round): **February 10th, 2017**

Topics of interest for submission include but are not limited to:

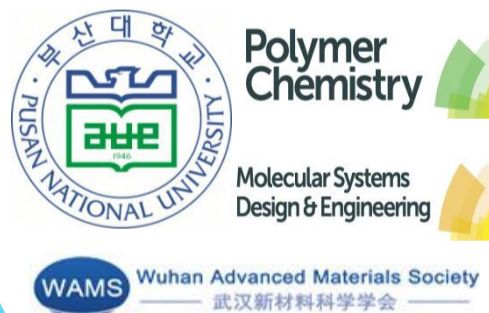

### Polymer materials

Plastics  
Rubbers  
Fibers  
Coatings  
Adhesives  
Polymer optoelectronics  
Polymeric gels and networks  
Blends and alloys  
Engineering polymers  
Polymeric catalysts  
Radiation-related Polymers  
Functional materials  
Polymeric biomaterials  
Polymer synthesis and characterization  
Polymer processing  
Polymer surface and interface

### Composite materials

Biomedical Composites  
Biomimetic Composites  
Carbon Matrix Composites  
Ceramic Matrix Composites  
Metal Matrix Composites  
Fibers, Matrices and Interfaces  
Multi-functional Composites  
Nanotechnology Composites  
Textile Composites  
Wood and Paper  
Green Composites  
Liquid Composite Molding  
Mechanical Properties  
Composites Manufacturing  
Recycling of Composites and Sustainability  
Applications of Composites

## Sponsors

## Awards

- For Best Oral Presentations:  
**FREE** registration for next conference
- For Best Poster Presentations:  
A year's **FREE** access to *Polymer Chemistry*
